Nuffield Health Guildford Hospital

HOW TO REFER

Patients with health insurance

We have agreements with all major insurers. A GP referral is required when patients are using health insurance.

Patients will need to have their health insurance policy details and authorisation number available when booking or attending an appointment.

Patients who are paying for themselves

We provide a full range of services to patients who are paying for their own treatment. Patients paying for themselves are covered by our unique Promise, details below.

Interest free loans are also available. Please see our website for further details.

01483 555 805 – Main referral number

01483 207 306 – Outpatients

01483 555 923 – Open Referral Fax number

THE NUFFIELD HEALTH PROMISE

Our patients don't need health insurance to get all the advantages of private healthcare. They can pay for themselves and benefit from our unique Promise.

We can make this Promise because Nuffield Health is a not-for-profit organisation. We don't have shareholders, which means we can reinvest any surplus we make into continually improving patient care.

OUR PRICES ARE ALL-INCLUSIVE*

Your confirmed price is all you'll ever pay

WE WILL EQUAL ANY COMPARABLE PRICE**

If you find a better price for the same procedure package, we'll match it

THERE ARE NO TIME LIMITS ON YOUR AFTERCARE***

We'll be there for as long as you need us

*Initial consultation(s), diagnostic scans/tests and investigations required to establish a diagnosis are not part of your procedure price. **Not including Private Patient Units at NHS hospitals. Local area defined as within 15 miles of your chosen Nuffield Health hospital. We will match against written quotes only. ***Where necessary, we promise to assist you to receive any follow up advice, treatment or care that is clinically required. Where a prosthesis is required for your procedure, this is guaranteed for the manufacturer's expected prosthesis lifetime. Clinically required indicates where further intervention and/or monitoring of your condition is deemed necessary as a direct result of your procedure. The Nuffield Health Promise applies for patients paying for themselves and excludes fertility services.

GP EDUCATION

Nuffield Health's Learning Programme has been running successfully for a number of years and is increasing in popularity amongst all healthcare professionals who are involved in the assessment, treatment and rehabilitation of pain and injury. Our expert Consultants aim to provide valuable education that is relevant to you and will be available to answer any questions you may have within the open forum discussion.

These events are professionally presented but run on an informal basis, allowing you the opportunity to enjoy learning directly alongside like-minded peers and also gain CPD points and catch up with your colleagues over a bite to eat.

You will receive a certificate of attendance at the end of the session.

Nuffield Health Guildford Hospital provides free of charge Consultant led educational sessions in the evenings or during lunchtime at your GP Practice. If you would like to enquire about our free learning programme please contact the office at

RECOVERY PLUS

Recovery Plus is Nuffield Health's flagship recovery programme available free of charge to our private patients, for a number of procedures.

It is an optional enhanced recovery pathway that starts after our patients have finished their post-operative physiotherapy, and enables them to continue their recovery at their local Nuffield Health Fitness & Wellbeing Gym, at no extra cost.

Recovery Plus brings together a spectrum of healthcare services across Nuffield Health's Hospitals and Fitness & Wellbeing Gyms. It provides our patients with the support they need to get well and stay healthy after their procedure and embodies Nuffield Health's complete end-to-end approach to healthcare.
