Wessex Nuffield Hospital**

The Friends of the Wessex Nuffield

The Friends of the Wessex Nuffield Hospital

Who are the Friends?

The 'Friends of the Wessex Nuffield Hospital' is a volunteer run association formed in 1985 with the object of supporting the Hospital in its healthcare aims. With this in mind, the Friends:

- Make an **annual monetary award to the Hospital for the funding of capital projects or activities** which would be of benefit to patients.
- **Keep members informed** on healthcare matters by arranging **talks on health care issues** ranging from surgical and medical advances through to the organisation of health services and insurance. Talks are usually given by consultants associated with the Hospital and admission is **free to members**.
- **Produce a Newsletter** from time to time which contains information about **Friends activities and Hospital updates on new facilities and developments**.
- **Arrange social and fund raising events** including lunches, dinners and a Christmas draw.

In addition to having the satisfaction of supporting a centre of clinical excellence which provides outstanding care and facilities for its patients, membership of the Friends includes eligibility for a generous range of benefits and discounts from the Hospital in recognition of the support provided.

Benefits of Membership:*

- **A discount of 15%** from the cost of health screening
- **A discount of 10%** from the Hospital costs of uninsured outpatient services
- **A discount of 10%** from the Hospital costs for uninsured inpatient services.
- **A discount of 10%** from the Hospital costs for bone densitometry and general x-rays excluding MRI, CT Scans and Ultrasound Scans (from which no discount is allowable).
- **A complimentary visitor's meal** each day of a member's stay at the Hospital as an inpatient up to a maximum of two days.
- **Complimentary fruit, mineral water and a dressing gown** in the room when in the Hospital overnight as an inpatient.

Subscriptions are renewable on 1st January each year. For new members joining from 1st October the initial subscription is £12.50 per person. This covers the period of 15 months to the end of the following calendar year.

Membership is open to permanent residents living within a 25 mile radius of the Hospital, the Isle of Wight and the Channel Islands.

Annual Membership
only **£10**
per person

"We look forward to welcoming you as a member"

Chairman and Committee
November 2014
