## Established children's services for more than 20 years.

Nuffield Health Leicester Hospital is one of very few private hospitals in the Midlands that can treat children of all ages. Our children's services have been established for more than 20 years. Children from birth upwards can be seen in our outpatients department and children from 1 year upwards can be seen and operated on as an inpatient. We have flexible visiting hours and also provide a large, well equipped play room within our dedicated children's wing. Every child will receive a bravery certificate and the famous Nuffy bear during their stay with us. Private healthcare with Nuffield Health may be more affordable than you think. With our Nuffield Health promise, our prices will always be totally transparent with no hidden surprises.\*

We have consultants offering children's treatment for the following specialties:

- Allergies
- Dental Services
- Dermatology
- Ear, Nose & Throat
- General Medicine
- Gynaecology
- Maxillofacial
- Minor General Surgery
- Minor Plastic Surgery
- Ophthalmology
- Orthopaedics
- Urology

To find out more about accessing the right consultant for your child, call **0116 276 9401**  
email [leicester.enquiry@nuffieldhealth.com](mailto:leicester.enquiry@nuffieldhealth.com)  
or visit [nuffieldhealth.com/leicesterhospital](http://nuffieldhealth.com/leicesterhospital)  
A GP referral letter is required.

\* Initial consultation(s), diagnostic scans/tests and investigations required to establish a diagnosis are not part of your procedure price.

## Expert care for your child, when they need it most.

We have a large team of consultants and registered children's nurses that plan and implement every aspect of your child's care from start to finish. All members of the children's team hold a certificate in Paediatric Life Support and in addition, a paediatrician with an advanced paediatric life support qualification will stay overnight while your child is with us.

We also offer a weekly children's clinic offering:

- Bowel management
- Children's Physiotherapy
- Dietary advice
- Dressings
- ECG/EEG
- Phlebotomy
- Removal of sutures/clips
- Skin prick allergy testing
- Wound care

## Coming into Hospital.

Pre-admission visits are offered to all children and their families to help familiarise them with our hospital surroundings. Parents are given written and verbal advice throughout their stay with us with access to a 24 hour telephone service for advice and reassurance. All children are admitted to single en-suite rooms with facilities for parents to stay overnight if they wish. We have a policy of open visiting and also provide a large, well equipped play room. A special children's menu is available offering a wide range of healthy meals, snacks, and ice cream of course! Every child will receive a children's bravery certificate and a famous Nuffy bear during their stay with us.
