Consultants are granted practising privileges by Nuffield Health to provide services at the hospital. Nuffield Health requires all Consultants to comply with its practising privileges policy. This includes maintaining appropriate medical indemnity/insurance cover in connection with the treatment of insured and paying for yourself patients. For treatment provided to NHS patients, Nuffield Health is a member of CNST, the risk pooling scheme operated by the NHS Litigation Authority.
3. Fees for services provided by consultants with practising privileges are additional to charges made by Nuffield Health unless they are covered by the terms agreed for paying for yourself patients or you are admitted through the NHS.

TERMS AND GUIDE TO PRICES

1. Personal Expenses

Expenses will be charged for separately, and must be paid on or before leaving the hospital. Any balance outstanding will be subject to paragraph 2 below. If a third party or insurer has agreed to pay your account, any balance outstanding if the third party or insurer does not pay the account in full must be paid by you in accordance with paragraph 2 below.

2. Payment Terms

If a third party or insurer has agreed to pay your account or part of your account, any balance outstanding if the third party or insurer does not pay the account in whole or in part will be your responsibility and must be paid by you in accordance with this paragraph.

Nuffield Health requires all patients to provide valid credit/debit card details prior to patient appointment/admission which will be used to collect any outstanding unspecified amounts in respect of:

- Services where the hospital does not deal directly with the patient's insurer.
- Services, charges, related expenses and any policy excess not covered, in whole or part, by the patient's insurance company, or in the case of patients paying for their own treatment, services charges and expenses not covered by the terms agreed for their treatment, or the NHS.
- Consultants' professional fees (where applicable).

3.1. Insured Patients

3.1.1. Direct Settlement by Insurance Companies

YOU SHOULD CHECK WITH YOUR INSURER THAT YOU HAVE ADEQUATE COVER. We will try to help you do this, but only your insurer can confirm that your cover is adequate. The credit/debit card details supplied to Nuffield Health pursuant to paragraph 2 will be used for any shortfall and/or outstanding balances as explained in paragraph 2. If your insurance company operates a direct settlement scheme, Nuffield Health will send your account and claim form to the insurance company for payment on your behalf. So that we can do this, you will need to obtain pre-authorisation in advance for tests and treatment that you are to receive. You will also need to provide us with a completed and signed claim form before you are discharged from the hospital. If your insurance company does not pay the account in full within 30 days from the date you were discharged, any outstanding balances will be notified to you by letter. You will have 10 days from the date of our letter to query this outstanding payment before your credit/debit card is debited with the outstanding balance. A receipt will be provided on request.

3.1.2. No Direct Settlement Scheme

If your insurance company does not operate a direct settlement scheme, or if you are unable to provide us with a completed and signed claim form, you must pay your account in full 7 working days (or 10 working days, if paying by personal cheque to allow for clearance) before treatment, if coming into hospital as an inpatient, or on the day of your patient appointment/test/treatment, if an outpatient. The credit/debit card details supplied to Nuffield Health pursuant to paragraph 2 will be used for any outstanding balances.

4. Payment by Third Parties excluding Solicitor Requested Work

If your company, employer or other third party (except for NHS funded patients), agrees to pay your account, a letter of authority must be produced when you are admitted to the hospital. The letter will need to confirm that your account will be paid in full within 21 days from the date you are discharged from hospital. Should the company, employer or other third party (except for NHS funded patients) not pay the account in full within 21 days from the date you were discharged, outstanding balances will be notified to you by letter. You will have 10 days from the date of our letter to query this outstanding payment before your credit/debit card is debited. The credit/debit card details supplied to Nuffield Health pursuant to paragraph 2 will be used for any outstanding balances.

5. NHS Patients

Personal expenses e.g. newspapers, guests' food and beverages or telephone calls must be paid in full on the day of your discharge from hospital. The credit/debit card details supplied to Nuffield Health pursuant to paragraph 2 will be used only for such outstanding balances.

Please Note: We accept most major credit and debit cards.

Unless otherwise agreed Nuffield Health reserves the right to vary charges without prior notice.
