Newsflash

GP & Practice Colleagues Issue 25 - 2015

Welcome.

I have the privilege of working with our Nuffield Health Tees Hospital team on an interim basis as we recruit a new Hospital Director.

These are exciting times with not only investment in the hospital but also the development of our services.

These include a new foot and ankle service through South Tees CCG plus private services including sterilisation reversal and an allergy testing service.

We continue to attract Consultants and welcome Mr Jones (Cosmetics), Mr Jeavons and Mr Ajekigbe (both Orthopaedics) to Nuffield Health Tees Hospital.
