

What happens if you don't get approved for a loan?

We triage every declined loan application to resources to help our members navigate their financial situation.

Debt Advice Tools: If existing debt is a factor, these tools can provide personalized guidance on managing and consolidating your obligations.

Benefits Calculator: Discover if you're eligible for any government benefits or support programs. This can be a valuable way to supplement your income.

Educational Articles: Gain a deeper understanding of the factors that influence loan approvals, such as credit scores, debt-to-income ratios, and financial planning.

Help Centre: If you're experiencing technical difficulties with our app or have questions about the process, our support team is ready to assist you.
