34																													
35	Swimmers swim up one side of the lane and down the other – swimming in long ovals rather than up and down the same line																												
36	Swimming lessons are the process of learning to swim. We provide lessons for both children and adults in different levels																												
37	Visiting the pool is a great family activity, and we make sure families can enjoy swimming together.																												
38	Our ratio is 1 adult (member only) to 2 children (regardless of their age)																												
39	Please note 121 swim lessons may take place in one lane outside of these times. We ensure at all times we have at least one lane available for lane swimming
