# Welcome to Nuffield Health Woking Hospital.

## Welcome to a healthcare provider with a difference

Our family of award-winning hospitals, fitness and wellbeing clubs, healthcare clinics and workplace wellbeing services are united in our purpose **to build a healthier nation**. For the last 60 years, every single day, our **team of experts** have been working together to make the UK fitter, healthier, happier and stronger. All for the public benefit. So, it's no surprise that we're trusted by the NHS, Private Medical Insurers, employers and the general public to provide exceptional health and wellbeing services to the nation.

As a **trading charity with no shareholders**, we invest all our income back into this vision to build a healthier nation – whether that's through outstanding day-to-day services, or by pioneering improvements in care so more people can benefit: our customers and patients always come first. We constantly strive to help even more people right through the different stages of their lives, or to expand our ability to help those who couldn't normally afford or access our services.

## Everything you need to know

We know your job is time consuming – that's why we want to make referring your patients as easy as possible for you. This directory is designed to help you do just that, and contains all the essential information you'll need in terms of the core clinical services we offer and where we offer them. You will also find a full directory of our consultants too.

## How to refer your patients

Referring your patients for a wide range of health and wellbeing services at Nuffield Health is quick and simple. We accept the following patients:

- Self-funded
- Insured
- NHS e-Referral Service – patient choice
- NHS e-Referral Service – via local contract

### Patients with health insurance

We have agreements with all major insurers. In most cases a GP referral is required when patients are using health insurance. Patients will need to have their health insurance policy details and authorisation number available when booking or attending an appointment.

### Patients who are paying for themselves

For patients who want to fund their own treatment we can provide a range of services. All our patients are covered by the Nuffield Health Promise, and there is also the option of an interest-free loan.

### Patients via NHS e-Referral Service

Your patients can also be referred via the NHS e-Referral Service – formerly choose and book ([www.nhs.uk/referrals](http://www.nhs.uk/referrals)). You and your patients can select the most convenient time, date and place of treatment for those NHS services that we currently have listed on the NHS e-Referral Service web portal.

# Building a healthier nation.

Welcome to Nuffield Health, the UK’s largest healthcare charity. As a **trading charity with no shareholders**, we invest all our income back into our family of award-winning **31** hospitals, **112** fitness and wellbeing clubs, healthcare clinics, over **200** on-site workplace wellbeing services, as well as developing flagship charitable activities supporting our communities – all to realise our vision **to build a healthier nation**.

Welcome to Nuffield Health. Specialists in you.

Nuffield Health is a Registered Charity. Our objective is to advance, promote and maintain health and healthcare of all descriptions and to prevent, relieve and cure sickness and ill health of any kind, all for the public benefit. Registered Charity Numbers 205533 (England and Wales) and SC041793 (Scotland).

## Clear and simple pricing.

When it comes to the way in which patients pay us, transparency and clarity are key. That’s reflected in the Nuffield Health Promise: our pledge to patients who are paying for their treatment themselves.

What it means: a clear and transparent price for treatment, the very best in clinical care and no limits on aftercare either.

**OUR PRICES ARE ALL-INCLUSIVE\***

The confirmed price is all your patient will ever pay.

**WE WILL EQUAL ANY COMPARABLE PRICE\*\***

If they find a better price for the same procedure package, we’ll match it.

**THERE ARE NO TIME LIMITS ON AFTERCARE\*\*\***

We’ll be there for as long as they need us.

\*Initial consultation(s), diagnostic scans/tests and investigations required to establish a diagnosis are not part of your procedure price. \*\*Not including Private Patient Units at NHS hospitals. Local area defined as within 15 miles of your chosen Nuffield Health hospital. We will match against written quotes only. \*\*\*Where necessary, we promise to assist you to receive any follow up advice, treatment or care that is clinically required. Where a prosthesis is required for your procedure, this is guaranteed for the manufacturer’s expected prosthesis lifetime. “Clinically required” indicates where further intervention and/or monitoring of your condition is deemed necessary as a direct result of your procedure. The Nuffield Health Promise applies for patients paying for themselves and excludes fertility services. Find out more at [nuffieldhealth.com/promise](https://nuffieldhealth.com/promise).

## Associated services.

### Health assessments

Whether patients want a broad outline of their health or have something more specific in mind, our health assessments provide a comprehensive overview and cover key health concerns, like diabetes, heart health, cancer risk and emotional wellbeing.

With four options to choose from, patients have the choice of picking an assessment that meets their needs, with all of the following coming as standard:

- Results given straight away
- Personalised report with test results and next steps
- 30-day gym trial to start the journey towards improved health
- Quick and easy referrals (if needed)

### Local Fitness & Wellbeing club

The most important thing to us is getting your patients fit and healthy with our network of fitness experts and cutting-edge facilities. Our clubs have a huge range of facilities and services available and gives you access to our on-site experts including personal trainers and physiotherapists, plus regular Health MOTs.

Our local Fitness & Wellbeing club

**Nuffield Health West Byfleet Fitness & Wellbeing club**  
Pyrford Road, West Byfleet GU22 8UQ  
**01932 353481**

### Physiotherapy

Our hospital is home to one of Nuffield Health's specialist physiotherapy centres, providing a full range of musculoskeletal services delivered by quality practitioners using leading-edge technology. Our team at this hospital are listed in the physiotherapy section of this directory – alternatively, call us on **03450 454845**.

# Refer your patients to their local fertility unit.

**FREE**  
open events  
all year for  
your patients.

We are excited to announce our well-known "Victoria Wing" has now moved – it is now named "Nuffield Health Assisted Conception Services" and is based within walking distance from Woking Station on Hill View Road. We are really excited by the move for a unit that offers some of the best success rates in the UK.

### Our unit offers:

Expert fertility treatment from pre-conception through to early pregnancy.

- In vitro fertilisation (IVF)
- Intracytoplasmic sperm injection (ICSI)
- Ovulation induction
- Intrauterine insemination (IUI)
- Egg donation and sharing programmes

To find out more or if you have any questions about referring, please call **01483 357710** or email [wokingacs@nuffieldhealth.com](mailto:wokingacs@nuffieldhealth.com)

## Diagnostic imaging services

Nuffield Health has comprehensive imaging capabilities delivered through our 31 hospitals. We provide a wide range of imaging modalities including MRI, CT, X-ray, Ultrasound, Mammography and DXA. Our consultant-led service ensures that your referral will be reported by an experienced radiologist.

Current diagnostic services available at Nuffield Health Woking Hospital include:

- MRI
- General X-ray
- Fluoroscopy
- Ultrasound: general
- Ultrasound: gynaecology
- Digital mammography

### Imaging Manager

Danielle Clethro

01483 227824

## Pathology

Nuffield Health has a national, integrated laboratory testing service with a network of fully accredited laboratories around the country. Linked by a nationwide pathology IT platform, hospitals can provide accurate lab reports with a quick turnaround and feedback on outcomes backed by a wealth of data. All pathology requests require a referral from a clinician.

### Stephen Mortlock

Pathology Manager

01483 227819

## Hospital sterile services unit (HSSU)

Nuffield Health's HSSU offers a bespoke decontamination service for re-useable medical devices (surgical instruments) from seven purpose built units throughout England, with access to fully supported and expert mobilisation and transition planning.

### Annette Barratt

Business Development Manager – HSSU

07917 194706

# MRI scans soon to be available at Nuffield Health Woking Hospital.

## Flexible appointments with no waiting list and rapid results.

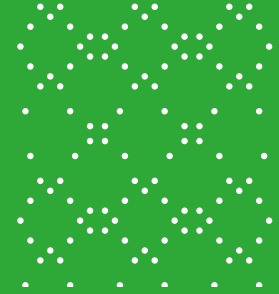

- Competitive rates for self-funding patients
- Convenient appointment times
- Scans reported on by a consultant radiographer and returned to referring clinicians usually within 48 hours
- Referrals also accepted from all major medical insurers

For more information, please contact the diagnostics team.
