

Nuffield Health Woking Hospital.

Newsflash

GP & Practice Colleagues Issue 25 - 2015

Welcome.

Welcome to our latest GP Newsflash.

Nuffield Health Woking Hospital has offered an extensive choice of treatments and procedures, all in comfortable and friendly surroundings, for over 50 years.

We pride ourselves on our professional approach and strive to deliver the best health care in the local community.

Each of our patients receive personalised care in a Matron-led setting and we are reassuringly open about our results, including our care outcomes and patient satisfaction.

Latest News.

'Recovery Plus' and 'Fit to Conceive' programmes.

Nuffield Health Woking Hospital is pleased to announce their enhanced pathway programmes, 'Recovery Plus' and 'Fit to Conceive' have been well received by our patients. 'Recovery Plus' is a 12 week programme offered free of charge to our private patients, at a Nuffield Health Fitness & Wellbeing Gym, designed to focus on the rehabilitation of our patients that have had particular orthopaedic and gynaecological procedures.

'Fit to Conceive' is an optional 12 week programme, aimed at those patients that may benefit from a personalised gym programme during their IVF treatment. The exercise programme is tailored to the patient's requirements, taking into consideration the type and length of the patient's fertility treatment.

Both programmes aim to enhance our patient's journey with us at our hospital. If you have any questions or would like some more information about these programmes, please contact **01483 227 813**.

The Nuffield Health Promise

Our prices are all-inclusive.*

We will equal any comparable price.**

There are no time limits on your aftercare.***

The Nuffield Health Promise is our unique pledge to patients who are paying for themselves.

Fertility Treatment in Surrey

Our Fertility Department – The Victoria Wing – celebrated 21 years of assisted conception this year. The department invited previous staff and patients to the hospital to celebrate the birth of 3,950 babies since the opening of the department in 1994.

The department continues to produce success rates of over 50% for patients under the age of 37, whilst consistently maintaining low multiple birth rates.

The department offer expert fertility treatment from pre-conception through to early pregnancy. Our team can offer a complete range of assisted reproductive treatments, including in vitro fertilisation (IVF) and intracytoplasmic sperm injection (ICSI), ovulation induction and intrauterine insemination (IUI). We also have active egg donation and egg sharing programmes.

To refer patients or contact The Victoria Wing, please use the following contact details:

* Initial consultation(s), diagnostic scans/tests and investigations required to establish a diagnosis are not part of your procedure price.

** Not including Private Patient Units at NHS hospitals. Local area defined as within 15 miles of your chosen Nuffield Health hospital. We will match against written quotes only.

*** Where necessary, we promise to assist you to receive any follow up advice, treatment or care that is clinically required. Where a prosthesis is required for your procedure, this is guaranteed for the manufacturer's expected prosthesis lifetime. Clinically required indicates where further intervention and/or monitoring of your condition is deemed necessary as a direct result of your procedure. The Nuffield Health Promise applies for patients paying for themselves and excludes fertility services.
